Again And Again

Lyrics, Music, & Vocals by Michele McGovern

Verse 1:
G#m
Again and again you display your glory
G#m/E
Again and again you show your power
E/C# E/F# G#m7
Again and again you move in ways I cannot question
G#m
Again and again I prove my frailty
G#m/E
Again and again my flesh does rise
E/C# E/F# G#m7
Again and again I find myself believing the lies
F#/D# G#m
Why do I trade the peace you've given, for captivity (6-E) (hit a C# to resolve)
F#/D# G#m6/C# G#m6/F#
Dragging around the chains of Egypt, when you've already set me free
