

Awaken My Soul

Lyrics, Music, & Vocals by Michele McGovern

Verse 1:

Bb Gm/Eb
Once I held so tightly,
Bb Gm/Eb
the things I thought were mine
Bb Gm/Eb
Hoping to discover...

joy and peace of mind

But all that left me empty,
Eb Bb Eb
and now I see the truth
Bb Eb
That only can save me
Bb Eb
So I cry out to you

Chorus:

Eb/F Bb Eb
Awaken my soul Oh God
Bb Eb
I bow at your feet my God
Bb
As I lift up my hands
Bb/A Gm Eb Eb/G F
And surrender my heart to the one who has called me by name
Bb Eb
I lay down my pride Oh God
Bb Eb
And I ask you to shine your light
Bb
Cast out the darkness

And fill me with purpose and hope

So that I might truly live
