The world wants to know how we can dance and bow
Am E7 Am
at the feet of an invisible king
A
Well I have just one thing to say
D7
So let me make this loud and clear
E7 D7
I'll be more undignified than this because.. I'm in love

Chorus:

A
Your love makes me sing
G
Your love makes me dance
D D/E
Your love makes me shout and lift my hands
A D E
Your love makes me want to make you smile with my life
D7 A
Your love makes me live

Am
Well I have seen my share of sorrow
Am/G
And I have felt the sting of the rain
Am/F Dm7
And I have suffered times when it was hard for me to see
Am E7 Am
your love in the midst of my pain
A
But I have learned this simple truth

That freedom comes when I praise
