I find my hope alone in Jesus (in Jesus.....)

Who else can I turn to?
Where else can I run?
There's no other name in all of creation.
Who else can I cry to?

I find my hope alone in Jesus
There's no other name There's no other name
There's no other name There's no other name
There's no other name There's no other name
There's no other name There's no other name
Like the name of Jesus
