

# You Loved Me

Lyrics, Music, & Vocals by Michele McGovern

Verse One:

                  Bb      F/A      Gm2  Bb/F  
Even in the womb you knew my name  
          Eb      Bb/D  
You set me apart  
          Eb          F  
And called me your own  
                  Bb      F/A  Gm2  Bb/F  
Even then you knew my destiny  
          Eb          Bb/D  
You had a plan for my life  
          Eb          F  
That would one day unfold

          Eb/C                  Bb/G  F/D  Gm/Eb  F  
If only I would reach for you to show me the way  
          Eb/C                  Bb/G  F/D  Gm/Eb  F  
If only I could learn to seek your face and to pray

Chorus One:

          Bb  
You kissed me with the breath of life  
          Gm  
Embraced me with your holy light  
          Gm/C  Eb/C  Gm/C  
You made the greatest sacrifice  
          Eb/F  F  Eb/F  F  
You loved me, loved me  
          Bb  
You taught me how to watch and pray  
          Gm  
And found me when I went astray

          Gm/C  Eb/C  Gm/C  
You carried me along the way  
          Eb/F  F  Eb/F  F  Bb  Eb/F  
You loved me, loved me Lord

Verse Two:

                  Bb      F/A      Gm2  Bb/F  
Through the years I know I've let you down  
          Eb          Bb/D  
But I can sing of your grace  
          Eb          F  
I once was lost but now I'm found  
                  Bb      F/A      Gm2  Bb/F  
Still I stand amazed at how your love  
                  Eb                  Bb/D  
Could make my own mistakes and worst regrets  
          Eb          F  
Work together for my good

                  Eb/C                                  Bb/G  F/D  Gm/Eb  F  
All those times I questioned why your face was hidden from me  
          Eb/C                                  Bb/G  F/D  Gm/Eb  F  
It was then you taught me how to trust what I could not see

Chorus Two:

          Bb  
At times your ways seem strange to man  
          Gm  
And I may not always understand  
          Gm/C  Eb/C  Gm/C  
But I know my life is in your hands  
          Eb/F  F  Eb/F  F  
You love me, love me  
          Bb  
Enough to tell me no sometimes,  
          Gm  
And make me wrestle in my mind  
          Gm/C  Eb/C  Gm/C  
But through it all I've come to find  
          Eb/F  F  Eb/F  F  Bb  Eb/F  
How much you love me Lord
