

# You're Still God

Lyrics, Music, & Vocals by Michele McGovern

Verse 1:

Abm E  
You're the God who formed the universe and parted the red sea  
Abm E Gb  
You moved all of earth and heaven just to set your people free  
Abm E  
You breathed life into the dry bones, made the cripple walk again  
Abm E Gb  
You saved Noah from the flood and Daniel from the Lions den  
Abm E  
You gave vision to blind man, You brought hearing to the deaf  
E/Db Ebsus Eb  
You dropped manna down from heaven, You raised Jesus from the dead

Chorus:

B  
You're still God  
Abm/E  
Age to age  
Dbm  
Your word has never changed  
Gb Abm  
You're the same yesterday and forever  
B  
You still rule  
Abm/E  
You still reign  
Dbm  
You're coming back again  
Gb Abm  
And one day every knee will bow at your presence

Verse 2:

Abm E  
On the days my eyes are clouded by the troubles of this world  
Abm E Gb  
And I forget for just a moment how big a God I serve  
Abm E  
I'll remember what my life was like before I called your name  
Abm E Gb  
How you saved me, how you freed me, how I've never been the same  
Abm E  
So as I look at my Goliath and I'm tempted to back down  
E/Db Ebsus Eb  
I will stand upon my rock and I will take that giant down!!!!
