

# You Sang To Me

Lyrics, Music, & Vocals by Michele McGovern

Verse 1:

G

All alone

D/G

I feel so all alone

C/G

As the storm comes crashing down

Cm/G

Seems no comfort can be found

G

I cry out

D/G

Lord, where have you gone?

C/G

I know you say you're in control

Cm/G

But this just feels so wrong

G

I can't see beyond my tears

Em

I can't feel beyond my pain

C

God I need a word, and I need it now

Cm7

Just a whisper through this rain

Chorus:

G

Then I heard a voice

Em

I heard a song,

C

It was cutting through the silence

C/D

You were singing through the storm

G Em

And though I stood completely drenched in rain

Am

I felt my fears and doubts subside

D (G)

As my faith began to rise

Verse 2:

G

Now I stand

D/G

I stand to face this storm

C/G

And although I cannot see

Cm/G

God I'm choosing to believe

G

I lift my hands

D/G

And as I worship you

C/G

The sting of rain has been replaced

Cm/G

By the flooding of your grace

G

Though this battle scars my flesh

Em

You have ransomed me unharmed

C

My soul is more alive today

Cm7

Than at first I met this storm

G

You sang to me

Em

You sang to me

C

Jesus keep singing over me

C/D

God I want to learn your song
